Tax Manager

NKSFB

Senior Tax Accountant

Featured Searches of the firm now include:

1. Director of Tax & Customs for HYUNDAI Motor America in Fountain Valley. Hyundai Motor America is the U.S. sales, marketing, and distribution subsidiary of Hyundai Motor Company, one of the world's largest and most innovative automotive manufacturers. Hyundai Motor Company was founded in 1967 in South Korea and has grown into a global automotive leader recognized for quality, design excellence, advanced technology, and strong value. The Director of Tax & Customs will be responsible for advising senior finance and operations management on all U.S. tax and customs matters, serving as the primary authority on U.S. federal and state tax strategy as well as U.S. customs strategy. The Director will lead U.S. federal and state tax strategy and compliance initiatives, develop and execute U.S. customs strategy, and manage quarterly and annual accounting for income taxes under both IFRS and U.S. GAAP for the HMA consolidated group.

2. Senior Manager of Income Tax Accounting for Teledyne Technologies (NYSE: TDY) in Thousand Oaks. The company just concluded 2025 with the largest quarterly orders, sales, and non-GAAP earnings, as well as the operating margin in the company's history. As a result their stock recently hit an all-time high. This is an opportunity for an ASC 740 income tax professional who thrives on making an impact and wants the excitement of working with an experienced provision team for a global acquisitive company.

Timeless Quote to Consider:

"What you get by achieving your goals is not as important as what you become by achieving your goals." – Zig Ziglar, motivational speaker and author
